August 9, 2009 the Town of Ipswich is holding its 375th Anniversary Celebration, they have requested that Hamilton's Engine Company # 1 participate in this event.

Notes:

The Town of Hamilton is looking for new members to the Blue Ribbon, Budget Process, Housing Partnership, Historic District Committee, Finance and Advisory Committee, Personnel Board, Long Range Planning Committee and the Capital Management Advisory Committees effective in July of 2009. If you are interested, please send a letter of interest and resume to ajenkins@hamiltonma.gov.

Deborah Nippes-Mena Finance Director for the Town recently passed examinations and met all of the education and experience requirements necessary to be recognized as a Certified Governmental Accountant by the Massachusetts Municipal Auditors' & Accountants' Association. The examinations, which are very in-depth, test a member's knowledge of municipal accounting and law. Deborah is one of 13 auditors or accountants in the state who will be recognized this year as a Certified Governmental Accountant.

The Hamilton-Wenham Regional High School boy's tennis team won its first state championship last week.

MANDATORY WATER RESTRICTIONS

THE DEPARTMENT OF ENVIRONMENTAL PROTECTION IS ENFORCING A MANDATORY OUTSIDE WATERING BAN DUE TO THE LOW LEVELS OF THE IPSWICH RIVER.

ALL MECHANICAL OUTSIDE WATERING IS BANNED

SPRINKLERS MUST BE TURNED OFF

ONLY HAND HELD WATERING BETWEEN 5 PM TO 9 AM

*****PRIVATE WELL USERS TOO*****

Please contact the Water Department 978-468-5581 with any questions.

HOW TO CONSERVE

- *Never water during the day. At least 50% is lost to evaporation.**
- *Use rain barrels or cisterns to provide water for irrigation.**
- *Raise the height of your lawnmower to at least 3 ½ inches.**
- *Ensure water flows to where it can be used by vegetables and plants not down the street or driveway.**
- *Do not fertilize your lawn during a dry spell. Fertilizer forces grass to grow faster and require more water.**
- *Fix leaky taps and toilets.**
- *Keep swimming pools covered to prevent evaporation.**
