Hamilton Wenham Cable now does video on demand for a number of our programs. This means residents can watch a number of Town meetings and programs from their PC at any time. Go to www.hwcam.org and check it out. Please thank Bill Melville and his volunteers for making this possible.

We found and have corrected a glitch to the Town website. All residents that have signed up for news and agendas should now be receiving them. Thanks so much for your patience.

All consumers using Hamilton Water will be receiving an “Important Water Mailing” this week as required by DEP.
