PHASE II WATER MAIN REPLACEMENT PROJECT (WORK RESUMES APRIL 6, 2015)

On Monday April 6, 2015 the Hamilton Water Department and the Town's contractor, N. Granese & Sons Inc. of Salem will continue working on Phase II of the capital water main project. The Town will be replacing water mains and upgrading the Town's side of water services starting on **Woodland Mead**. This replacement project will continue for the next several weeks.

Work will be performed from 7:00 a.m. until approximately 4:00 p.m. There **may** at times be a temporary loss in service or possible discoloration of water. **We ask that all vehicles be off the roadway.** To answer questions, the project manager will be on site or you can contact the Water Department at 978-468-5581.

We appreciate your understanding and patience as we work diligently to maintain the reliability of our water system.
