HOWARD STREET RESIDENTS

The Hamilton Water Department will be replacing insertion valves as part of the infrastructure improvements to your water system on **Monday, May 6, 2013**.

In order for this upgrade to take place, residents of Howard Street will have **no water** from **7:00 a.m. until** approximately **4:00 p.m.** When your water resumes, should you experience discolored water, please turn on your outside spigots or run your cold water until the lines run clear. We apologize for any inconvenience this may cause.
