## CODE OF CONDUCT CONTRACT

All Hamilton Wenham Park Program participants must sign this contract in order to attend the Program. The purpose of this contract is to help, encourage and ensure parents discuss with their child what is appropriate behavior and to help make the Program a fun, safe and non-threatening environment for all staff members and participants.

❖ I understand that my language must be appropriate when interacting with staff members and other participants. I will display respect for staff. (Swearing, taunting and negative comments are not acceptable)

❖ I understand that being physically aggressive with other participants and / or the staff is not appropriate. I will not endanger myself, others and or the staff. (Fighting, pushing, shoving and "ganging up" are not acceptable).

❖ I understand that defacing or destroying Program, town or others' personal property is not acceptable.

Although we understand it is the role of our staff to minimize this behavior, there are times when participants are not receptive to our positive encouragement regarding proper behavior. Children not adhering to the above policy will be subject to the following actions by the Program Staff:

1. Verbal warning
2. Time out
3. Call to parents
4. Written incident report

The Park Program reserves the right to suspend participants for continued inappropriate behavior. We also will expel Program participants whose behavior is not appropriate. There is no refund for any Program participant who is asked to leave the Program because of behavior issues.
