Chapter VIII.

Application For License To Erect, Occupy, Or Use A Coop As A Facility

Location of Facility _____

Name of Applicant _____

Address of Applicant _____

Phone # _____ E-mail Address _____

Name and Address of Owner (if different from Applicant) _____

The facility is for the keeping of what type and number of animal(s)?

Explain manure storage, processing, and/or removal. Will it be used on-site, moved off-site, or both? Where on-site will these activities occur? Describe storage containers and frequency of removal.

What is the source (public or private) and location of the water supply (pipe or well) for the facility?

For original license applications, complete a sketch of where the coop is located on property.

Applicant's Signature _____

Date: _____

**Application Fees: (original) \$40.00
(renewal) \$15.00**

Licenses expire June 30th and must be renewed annually.

Note: Under MGL 131 Sec. 40 The Wetland Protection Act, any activity closer than 100' to a wetland (as defined in the Act) requires you to file with the Hamilton Conservation Commission.

Any construction, remodeling, alteration, etc. under 780 CMR: The Massachusetts State Building Code requires you to obtain a building permit prior to construction.

A Variance or Special Permit from the ZBA may be required.

For Office Use: Permit #: _____

Date of Issue: _____
