The Corporation may provide by resolution, one time or from time to time, for the issuance of revenue bonds of the Corporation for the purposes of paying all or any part of the cost of a Development Project. The principal of and interest on the bonds shall be payable solely from the funds herein provided for the payment. The bonds of each issue shall be dated, shall bear interest at the rates and shall mature at the time or times not exceeding 40 years from their date of issuance, and may be redeemable before maturity, at the option of the Corporation, at the price or prices and under the terms and conditions fixed by the Corporation before the issuance of the bonds. The Corporation shall determine the form of the bonds, including any interest coupons to be attached thereto, and the manner of execution of the bonds, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within the commonwealth. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be an officer before the delivery of the bonds, the signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he/she had remained in office until the delivery if such officer was authorized to sign. The bonds may be issued in coupon or registered form or both, as the Corporation may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest. The Corporation may sell the bonds in a manner and for a price, either at public or private sale, as it may determine to be for the best interests of the Corporation.

The proceeds of the bonds shall be used solely for the payment of the cost of a Development Project, and shall be disbursed in a manner and under such restrictions, if any, as the Corporation may

provide. Before the preparation of definitive bonds, the Corporation may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when the bonds have been executed and are available for delivery. The Corporation may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Revenue bonds may be issued under the provisions of this act subject only to those proceedings, conditions or things which are specifically required by this act.

The Corporation may provide by resolution for the issuance of revenue refunding bonds of the Corporation for the purpose of refunding any revenue bonds then outstanding and issued under the provisions of this act, including the payment of any redemption premium thereon on any interest accrued or to accrue to the date of redemption of the bonds and, if deemed advisable by the Corporation, for the additional purpose of construction or reconstructing and extensions or improvements of the Development Project. The issue of the bonds, the maturities, and other details thereof, the rights of the holders thereof, and the duties of the Corporation in respect of the same shall be governed by this act insofar as the same may be applicable.

While any bonds issued by the Corporation remain outstanding, the powers, duties or existence of the Corporation shall not be diminished or impaired in any way that will affect adversely the interests and rights of the holders of such bonds.

Revenue and revenue refunding bonds issued under this act, unless otherwise authorized by law, shall not be deemed to constitute a debt of the commonwealth or the Town, or a pledge of the faith and credit of the commonwealth or of the Town, but the bonds shall be payable solely from the Corporation's revenues. In the event that the Corporation or the Town or commonwealth is not obliged to pay the revenue or revenue refunding bonds, then and in that event, all such revenue and revenue refunding bonds shall contain on the face thereof a statement to the effect that neither the Corporation nor the commonwealth nor the Town shall be obliged to pay the same or the interest thereon except from revenues, and that neither the faith and credit nor taxing power of the commonwealth or of the Town is pledged to the payment on the bonds.

All revenue and revenue refunding bonds issued under this act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments as defined in Article 3, Section 3-104 of chapter 106 of the General Laws.

SECTION 10. In the discretion of the Corporation the revenue bonds or revenue refunding bonds may be secured by a trust agreement by and between the Corporation and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the commonwealth. The trust agreement may pledge or assign the revenues to be received, but shall not convey or mortgage any Development Project or part thereof.

Either the resolution providing for the issuance of bonds or the trust agreement may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including without limiting the generality of the foregoing provisions defining defaults and providing for remedies in the event thereof, which may include the acceleration of maturities, and covenants setting forth the duties of and limitations on the Corporation in relation to the acquisition, construction, improvement, enlargement, alteration,

equipping, furnishing, maintenance, operation, repair, insurance and disposition of property, the custody, safeguarding, investment and application of moneys, the use of any surplus bond or note proceeds and the establishment of reserves. The resolution or trust agreement may also contain covenants by the Corporation in relation to, among other things: (1) the establishment, revision and collection of such rents and charges for services of facilities furnished or supplied by the Corporation as shall provide revenues sufficient with other revenues of the Development Project, if any, to pay (i) the cost of maintaining, repairing and operating the Development Project, (ii) the principal of and the interest on said revenue bonds as the same shall become due and payable, (iii) payments in lieu of taxes, betterment and special assessments, and (iv) reserves for such purposes; (2) the purpose or purposes for which the proceeds of the sale of the bonds will be applied and the use and disposition thereof; (3) the use and disposition of the gross revenues of the Corporation from the Development Project, any additions thereto and extensions and improvements thereof, including the creation and maintenance of funds for working capital and for renewals and replacements to the Development Project; (4) the amount, if any, of additional revenue bonds payable from the revenues of the Development Project and the limitations, terms and conditions on which such additional revenue bonds may be issued; and (5) the operation, maintenance, management, accounting and auditing of the Development Project and of the income and revenues of the Corporation.

It shall be lawful for any bank or trust company authorized to do business under the laws of the commonwealth to act as depository of the proceeds of the bonds or of revenues, and to furnish such indemnifying bonds or to pledge securities as required by the Corporation. The trust agreement may set forth the rights and remedies of the bondholders and of the trustees, and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures securing bonds and debentures of Corporations. In addition to the foregoing, the trust agreement may contain other provisions as the Corporation considers reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the trust agreement may be treated as a part of the cost of the operation of the Development Project. The pledge by any trust agreement or resolution shall be valid and binding from the time when the pledge is made; the revenues or other moneys so pledged and then held or thereafter received by the Corporation shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act; and the lien of the pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Corporation, irrespective of whether the parties have notice thereof. Neither the resolution nor any trust agreement by which pledge is created need be filed or recorded except in the records of the Corporation, .

SECTION 11. Revenue bonds and revenue refunding bonds issued under this act are hereby made securities in which all public officers and public bodies of the commonwealth and its political subdivisions, all insurance companies, trust companies in their commercial departments and within the limits set by section 6 of chapter 167E of the General Laws, banking associations, investment companies, executors, trustees and other fiduciaries, and all other persons whatsoever who are now or may hereafter be authorized to invest in bonds or other obligations of a similar nature may properly and legally invest funds, including capital in their control and belonging to them; and the bonds are hereby made obligations which may properly and legally be made eligible for the investment of savings deposits and income thereof in the manner provided by section 2 of said chapter 167E. The bonds are hereby made securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the

commonwealth for any purpose for which the deposit of bonds or other obligations of the commonwealth is now or may hereafter be authorized by law.

SECTION 12. To provide funds for the general purposes of the Corporation, including working capital, the Corporation may from time to time issue debentures which, unless otherwise authorized by law, shall not be deemed to constitute a debt of the commonwealth or of the Town, or a pledge of the faith and credit of the commonwealth or of the Town, and shall be subordinated to all other obligations of the Corporation and shall be payable at the time and in installments, if any, as the Corporation shall determine, but solely out of the net assets of the Corporation; and the holders thereof shall be entitled to interest at the rate set by the issuer, but only out of the net earnings of the Corporation, and in no event at a rate higher than the rate specified therein.

The debentures may be secured by a trust agreement by and between the Corporation and a corporate trustee, which shall be located within the commonwealth and shall be a trust company or bank having the powers of a trust company. The trust agreement shall contain provisions for protecting and enforcing the rights and remedies of the debenture-holder as may be reasonable and proper and not in violation of law. It shall be lawful for any bank or trust company incorporated under the laws of the commonwealth which may act as a depository under the trust agreement to furnish indemnifying bonds or to pledge securities as required by the Corporation. Such trust agreement shall set forth the rights and remedies of the debenture-holders and of the trustee, and may restrict individual right of action by debenture-holders. In addition to the foregoing, the trust agreement may contain such other provisions as the Corporation may consider reasonable and proper for the security of the debenture-holders. All expenses incurred in carrying out the provisions of the trust agreement may be treated as an item of current expense.

Debentures may be issued under this act without obtaining the consent of any department, division, office, commission, board, bureau or agency of the commonwealth or the Town, and without any other proceedings or the happenings of any other condition or things other than those proceedings, conditions or things which are specifically required by this act.

SECTION 13. Any holder of bonds or debentures issued under this act or of any coupons appertaining thereto, and the trustee, except to the extent the rights herein given may be restricted by the trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce all rights under the laws of the commonwealth or granted hereunder or under the trust agreement, and may enforce and compel the performance of all duties required by this act or by the trust agreement, to be performed by the Corporation or by any officer thereof.

SECTION 14. Notwithstanding any rule at common law or any authorization, limitation or any such other provision of any general or special law, or any provision in their respective charters, agreements of associations, articles of organization, or trust indentures, domestic corporations organized for the purpose of carrying on business within the commonwealth, including without implied limitation any electric or gas company as defined in section 1 of chapter 164 of the General Laws, railroad corporations as defined in section 1 of chapter 160 of the General Laws, financial institutions, trustees and the Town may acquire, purchase, hold, sell, assign, transfer, or otherwise dispose of any bonds, securities or other evidence of indebtedness of the Corporation and to make

contributions to the Corporation, all without the approval of any regulatory authority of the commonwealth.

A contribution made under this section to the Corporation shall be in addition to contributions authorized by section 12C of chapter 170 of the General Laws and by other general or special law.

SECTION 15. Except as herein provided, rents and charges for services or facilities furnished or supplied by the Corporation shall not be subject to supervision or regulation by any department, division, commission, board, bureau or agency of the commonwealth or the Town, and if derived from a Development Project in connection with which revenue bonds have been issued, shall, with all other revenues derived from the Development Project, except such part thereof as may be necessary to pay the cost of maintenance, repair and operation, and to provide reserves therefore provided for in the resolution authorizing the issuance of the bonds or in the trust agreement, but including the part thereof necessary to provide such reserves for the payment of the principal of and the interest on said revenue bonds provided for in the resolution or trust agreement, and including also the proceeds of sales by the Corporation of property for, or in connection with, a Development Project, be set aside at such regular intervals provided for in the resolution or trust agreement, in a sinking fund which is hereby pledged to and charged with the payment of: (1) the interest upon the bonds as the interest shall fall due, (2) the principal of the bonds as the same shall fall due, (3) the necessary charges of paying agents for paying principal and interest, and (4) the redemption price or the purchase price of bonds retired by call or purchase as therein provided.

SECTION 16. The Corporation shall be liable in contract and in tort in the same manner as any other municipal corporation. The directors, employees, officers and agents of the Corporation shall be liable as such in contracts and tort, in the same manner as municipal employees under Ch. 258 of the General Laws. The Corporation shall indemnify its employees under sections 9 and 13 of chapter 258 of the General Laws as public employees. The property or funds of the Corporation shall not be subject to attachment or to levy and sale on execution, but if the Corporation refuses to pay a judgment entered against it in any court of competent jurisdiction, the local division of the superior court department may direct the treasurer of the Corporation to pay the judgment. The real estate owned by the Corporation shall not be subject to liens under chapter 254 of the General Laws, but the provisions of sections 28 and 29 of chapter 149 of the General Laws shall be applicable to any construction work by the Corporation.

SECTION 17. Notwithstanding any other general or special law to the contrary, the Town, acting through the Board of Selectmen, may lease for a term not to exceed 60 years any land or land with improvements owned by the Town within the Development Zone, upon such terms and conditions as the Board of Selectmen shall determine, for public purposes consistent with this act. The terms and conditions of the lease or sale shall be determined by the Board of Selectmen and the Town Manager. All leases shall provide that the Corporation may not encumber property owned by the Town, or the Corporation's leasehold interest therein, without approval of the board of selectmen.

The Town shall not incur any financial obligation as a result of any action by the Corporation, absent a 2/3 vote of Town Meeting.

Notwithstanding the provisions of any general or special law to the contrary, the Corporation may establish a maintenance reserve fund from any lease revenues obtained from Development Projects carried out on publicly owned property, sufficient to meet the expenses of maintaining said projects in a fully operational state, including, but not limited to, routine and non-routine maintenance and the maintenance of any and all improvements. All leases shall also provide that the lease shall terminate in the event that the Corporation ceases to use the land for the declared public purpose described in Section 2.

SECTION 18. No Development Project shall be undertaken until a public hearing relating to the Development Project has been held by the Corporation after legal notice has been published in a public medium having a general circulation in the Town, no later than 2 weeks before the hearing date.

SECTION 19. The real estate and tangible personal property of the Corporation shall be deemed public property used for essential public and governmental purposes and shall be exempt from taxation by the commonwealth or any subdivision thereof and from betterments and special assessments; but in lieu of the taxes, betterments, and special assessments, the Town may determine a sum to be paid to it annually in any year or period of years, the sum in any year not to be in excess of the amount that would be levied at the then current tax rate upon the average assessed value of the real estate, including buildings and other structures, for the 3 years preceding the acquisition thereof, the valuation for each year being reduced by all abatements thereon.

The Town may, however, agree with the Corporation upon the payments to be made, or the Corporation may make and the Town may accept such other payments, the amount of which shall be in lieu of the foregoing formulation.

Nothing in this act shall be construed to prevent the taxation, to the same extent and in the same manner as other real estate is taxed, of real estate sold or otherwise transferred by the Corporation pursuant to a Development Project, or the taxation to the same extent and in the same manner as real estate of the commonwealth is taxed, of real estate acquired by the Corporation pursuant to a Development Project and thereafter leased by the Corporation; but real estate so acquired by the Corporation and sold or leased to an urban redevelopment corporation or other entity operating under chapter 121A, 121B, or 121C of the General Laws shall be taxed under said chapters.

The debentures issued under the provisions of this act, their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free from taxation by the commonwealth or any subdivision thereof.

SECTION 20. Upon 2/3 vote of the Town Meeting, the Town may expand the geographic boundaries of the Development Zone or authorize the Corporation to carry out Development Projects consistent with the purposes of this act outside the Development Zone.

SECTION 21. The Corporation is hereby designated as a community-based development organization for purposes of carrying out community or economic development projects with federal financial assistance.

SECTION 22. The Town may raise and appropriate or may borrow under section 8 of chapter 44 of the General Laws or otherwise as appropriate, or may agree with the Corporation, or with the federal government, or the commonwealth, to borrow or as otherwise appropriate, in aid of the Corporation, the sums necessary to carry out the purposes and powers of the Corporation, including defraying part of the development, acquisition and operating costs of any Development Project. Indebtedness of the Town authorized under this section shall be outside the limit of indebtedness prescribed in section 10 of chapter 44 of the General Laws and shall be payable within 40 years, otherwise subject to sections 16 to 27, inclusive, of said chapter 44; but the total amount of indebtedness of the Town outstanding at any one time under this section and clauses (1), (2) and (4) of section 20 of chapter 121B shall not exceed 5 per cent of the Town's equalized valuation as defined in section 1 of said chapter 44, notwithstanding section 21 of said chapter 121B.

SECTION 23. The Corporation may, upon the affirmative vote of 2/3 of its members, petition for its dissolution by order of the supreme judicial or superior court, in the manner provided in section 11A of chapter 180 of the General Laws.

SECTION 24. If the Town shall adopt or modify a charter, then without amendment of this act, those provisions of this act which refer to specific municipal officials or municipal bodies shall be understood, upon the charter adoption, to refer to those who under such change exercise the same or equivalent functions.

SECTION 25. This act, being necessary for the welfare of the commonwealth and the Town and its inhabitants, shall be liberally construed to effect the purpose thereof.

SECTION 26. The provisions of this act are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of the court shall not impair any of the remaining provisions.

SECTION 27. This act shall take effect upon its passage.
