YOU CAN AFFORD COLLEGE IF...

You PLAN in advance; you UNDERSTAND the financial aid process; you ACT early enough to be successful.

Financial Aid goes to the families who plan in advance - ideally before December 31st of the child's sophomore year of high school. This course will teach you the concepts and strategies that will help you maximize your financial aid by understanding the process, and how implementing strategies may increase a family's eligibility even if you have a "high income" or own a business. The greatest amount of financial aid goes to the families who act in the years before college. REMEMBER: Procrastination equals less financial aid. All schools are not alike, so it is important to know your options and opportunities. A free financial aid analysis will be available to all attendees. For more information please visit our website at www.collegefundingadvisors.com

I understand that the Hamilton/Wenham Recreation Department recommends that the participant undergo a complete physical before beginning participation. Any limitations on participation are listed below. I agree to forever release, acquit, discharge and covenant to hold harmless the Hamilton/Wenham Recreation Department and its employees, agents, board members, volunteers and any and all individuals and organizations assisting or participating in voluntary athletic or recreational programs of the Hamilton/Wenham Recreation Department (collectively the "Releasees") from any and all claims, rights of action and causes of action on account of or in any way arising out of, directly or indirectly, all known and unknown personal injuries or property damage which I may now or hereafter have in my individual capacity or, if the participant is my minor child or ward, as parent or guardian of said minor. I also agree to forever release, acquit, discharge and covenant to hold harmless the Releasees from any and all claims, rights of action and causes of action on account of or in any way arising out of, directly or indirectly, all known and unknown personal injuries or property damage which said minor has or hereafter may acquire, either before or after he/she has reached his/her majority, resulting from his/her participation in a program of the Hamilton/Wenham Recreation Department.

I understand that my or the minor's participation in these programs is voluntary and that the minor or I are free to choose not to participate in said programs. I have read this Consent and Release Form and I understand the contents of this form.

Periodically, the Recreation Department photographs/video tapes program participants for promotional use. Unless the participant/guardian informs us of their desire not to be photographed, the Recreation Department will use photographs/videotapes for their promotional purpose.
