People of Hamilton Massachusetts,

The North Shore Tour de Cure is a cycling, walking and running fundraising event benefiting the American Diabetes Association. This year's event is scheduled for May 20th, beginning and ending at Topsfield Fairgrounds. We have cycling routes of 100, 62, 30 and 15 miles, and a 5k walk and run. The first group of cyclists will depart the fairground at 7am, with additional groups departing at 8:30am, 10am, and 11am. We expect a total of about 1,000 riders.

With your permission we would like to pass through Hamilton between the hours of 10:00am and 2:00pm. Please refer to the route maps and links on the following page.

The American Diabetes Association leads the fight against the deadly consequences of diabetes and fights for those affected by diabetes. We fund research to prevent, cure and manage diabetes, deliver services to hundreds of communities, provide objective and credible information, and give voice to those denied their rights because of diabetes. To learn more about diabetes and diabetes prevention, please visit us at, www.diabetes.org.

Thank you for your help. Please let me know if you have any questions or need additional information.
