PUBLIC NOTICE – PUBLIC HEARING

TOWN OF HAMILTON - HAMILTON HISTORIC DISTRICT COMMISSION
TOWN HALL, 577 BAY ROAD, HAMILTON MA

The Hamilton Historic District Commission will hold a public hearing on December 13, 2018 at 6:00pm in the Memorial Room at Hamilton Town Hall, 577 Bay Road for a petition for a Certificate of Appropriateness for a project submitted by Thomas Ford (the "Applicant"). He has applied for a Definitive Subdivision Permit with the Planning Board for property within the Hamilton Historic District at 601, 605, 609 and 613 Bay Road (also known as Assessors Map 49, Lots 50, 20, 58 and 19). A portion of the subdivision's land area is within the Hamilton Historic District and allows for Historic District Commission review. Specifically a 22 foot wide road is proposed which expands an existing 16 foot road / driveway and triggers the need for a Historic District Commission review. The application and plans are available at Town Hall in the Building Department and the Community Project Coordinator's office for review.
