

# Complete Streets in Hamilton?

*We would like your feedback!*

## Public Meeting to be held at Town Hall

577 Bay Road, Hamilton, Mass., 01982

Tuesday, June 11, 2019

7:00 to 8:00 PM

The Town of Hamilton is working with TEC, Inc. to identify construction projects that will improve the pedestrian and bicycle experience throughout Hamilton. The **MassDOT Complete Streets** program is a source of funding where the Town can apply for grant money to construct these projects. The first step to making the request is finding the critical places where improvements for pedestrian and bicycle access are needed and/or desired. We would like your feedback!

Join us at 7:00 PM on Tuesday, June 11, 2019 in the Memorial Room at Town Hall to learn more about the Complete Streets program and share your experiences and thoughts for improvements.

Any questions, please contact: Tim Olson, Director of Public Works
