

# The New Look of NICOTINE ADDICTION

## The Truth and Dangers of Vaping: An Educational Session for Essex Parents, Caregivers, and other Adults

**Wednesday March 11, 2020**

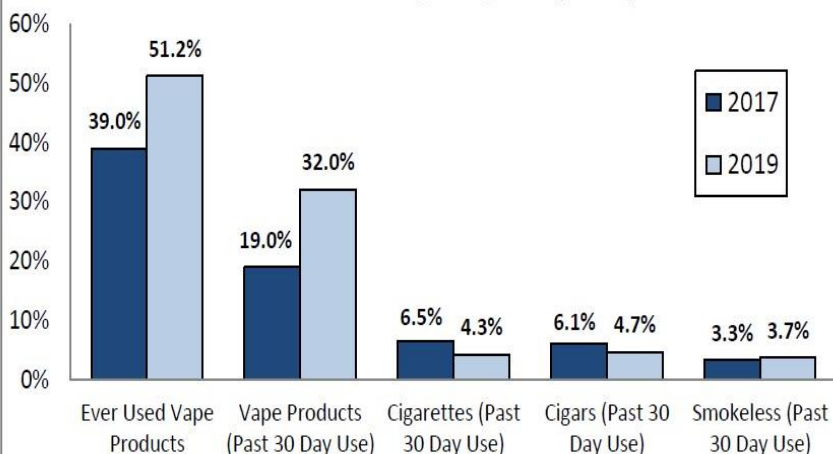

**6:00pm-7:00pm**

**Essex Town Hall Auditorium, 30 Martin Street**

- Vapes and e-cigarettes are not harmless. Yet in 2019 51.2% of high school students in MA reported ever using vape products.
- What are these products? What's makes them so harmful? How can you protect your kids? – Come to this presentation to get the answers!

**Presenter: Ashley Hall, MS, Program Manager of the Northeast Tobacco Free Community Partnership**

Figure 1. Use of Tobacco Among High School Students in Massachusetts, 2017, 2019 (MYHS)

† Use in the past 30 days.

‡ Any tobacco is defined as cigarettes, cigars (including little cigars and cigarillos), and smokeless tobacco (such as chewing tobacco, snuff, or dip).
