

HARVEST FEST 2022!

Overview: The Town of Hamilton is hosting a family friendly community event to bring together local businesses and share in the bounty of the season.

We hope to celebrate the Harvest season in community togetherness while also promoting local businesses, local food, local craft brews, and local farms. Supporting “local” not only means buy locally, but also to educate the community on ways to help the North Shore thrive. We hope to gather people in a meaningful way and in doing to, help support the work of preserving the Patton Homestead!

*Vendor Donation of \$50 OR donation of 10% of proceeds appreciated. Your donation will support the work to continue with public event planning as well as contribute to the preservation of this this beautiful & historic property!

Will you join us?

Location: The Patton Homestead, 650 Asbury Street, Hamilton, MA 01982
