Workshop Meeting

The Select Board has called this special Workshop Meeting to discuss goals for the next 12 months. The session is designed to allow the Select Board the opportunity to exchange ideas and discuss priorities for the next year and to provide feedback and direction to the Town Manager. No votes will be taken and the final goals for the Select Board and Town Manager will be voted on at a future Select Board meeting. Though the meeting is open to members of the public who wish to follow the discussion or watch the proceedings, there will be no Public Comment period and the public will not be invited to participate in the discussion.
