THE HAMILTON HUMAN RIGHTS COMMISSION RECOGNIZES THE IMPORTANCE OF LABOR DAY AND ALL IT REPRESENTS. THE TIRELESS EFFORTS OF LABOR ORGANIZERS ACROSS THE UNITED STATES HAVE HELPED TO IMPROVE CONDITIONS FOR WORKERS OVER THE COURSE OF THE COUNTRY'S HISTORY. WE, AS A COMMISSION, BELIEVE THAT DIGNIFIED WORKING CONDITIONS AND LIVABLE WAGES ARE A RIGHT - NOT A PRIVILEGE - AND SUPPORT WORKERS RIGHTS MOVEMENTS THAT CONTINUE TO STRIVE TOWARD MAKING THESE RIGHTS A REALITY FOR ALL.
