

Town of Hamilton

Town Manager Report

For week of June 3, 2024

| Department/ Project | Weekly Update | Timeline | Status |
|-------------------------|--|------------------------|---------------------------------|
| 1. June 12 public forum | <p>1.The Town of Hamilton will sponsor the first of what will likely be a number of community wide public engagements on Wednesday June 12, at 7:00 p.m. at the Hamilton Wenham Library Meeting Room. The goal of these public forums is to share information and gather public input on a number of major projects and decisions that will be facing the community over the next year or so.</p> <p>The first of these forums - Challenges and Opportunities Ahead: An Information and Discussion Forum for Hamilton - will precede the town's planned year long engagement with consultants from Utile, aimed at developing a vision and new zoning for the Town Center that will ultimately be presented to Town Meeting for a vote next April.</p> <p>This event will begin at 7:00 pm in person at the Library meeting room and on zoom at:</p> <p>https://us02web.zoom.us/j/89896362415?pwd=fNSYI1WIDsyds4uSaLCe4boHY1ckyR.1</p> <p>Subsequent forums may address issues such as growth and development, Chapter 40B housing, Gordon Conwell site development, water supply, cell phone service and more.</p> | 1. June 12, at 7:00 pm | 1. <i>Upcoming</i> |
| 2. Water planning grant | <p>2. The Towns of Hamilton and Wenham and the Salem Beverly Water Supply Board were awarded a grant of \$232,490 to model a connection between the towns and SBWSB.</p> | 2. Awarded | 2. <i>Project starting soon</i> |

| | | | |
|--|---|------------------------|----------------------|
| | <p>This project will analyze, permit and design a new interim water supply connection between Hamilton and Wenham to ensure a supply from the SBWSB on an emergency and possibly a long-term basis. This project will also analyze and produce a conceptual design of available treatment strategies for removing PFAS from Wenham's two groundwater sources.</p> | | |
| 3. Town Hall bids out | <p>3. Construction bids for the Town Hall project are now being sought, with the public advertisement of the bid package this week. Sealed bids for sub-contractors will be opened on June 13 and the general construction bids will be opened on June 27. The goal is to award a contract to the lowest qualified bidder as soon as possible and have the actual construction begin before the end of summer.</p> | 3. June 27, 2024 | 3. <i>Out of bid</i> |
| 4. Highland and Goodhue traffic issues | <p>4. A brief update for our residents on Highland Avenue, Goodhue Street and Waldingfield Road. The planners from the Central Transportation Planning Board have been working on analyzing data and traffic impacts on these streets since early February and have this week reported that they would like to meet with the DPW and public safety personnel in Hamilton and Ipswich to preview their findings, before finalizing a report to be delivered to the towns' Select Boards. We are planning for that meeting to take place the week of April 15. Recommendations from the CTPS planners will be taken to the Select Boards in Hamilton and Ipswich for consideration sometime in the late spring or early summer.</p> | 4. Spring/ Summer 2024 | 4. <i>On-going</i> |
| 5. Cutler School project | <p>5. The Hamilton Wenham Regional School Committee was scheduled to review data from a recent survey and vote on support for an elementary school project on Thursday, June 6.</p> | 5. On-going | 5. <i>On-going</i> |
| 6. North Shore Water Resiliency Task Force | <p>6. For several years now the Town of Hamilton has been working with our neighbors on the North Shore and Senator Bruce Tarr and other legislators and rivers advocates to fund a common, regional solution to our water sustainability - that group, the North Shore Water Resiliency Task Force has recently released a few documents that outline our efforts, frame our common challenges and</p> | 6. <i>On-going</i> | 6. <i>On-going</i> |

I hope you will visit the Town Manager's page on the website and click on the link to the North Shore Water Resiliency Task Force documents. We will be sure to add more information about our efforts, and the water studies that are being conducted now - which are built on Hamilton's own Sustainable Water Management Initiative (SWMI) study and report that was completed in 2022. There is lots of work to do, but we believe Hamilton's goal of a more secure and sustainable water source, is more likely to succeed with the collaboration of our neighbors and environmental advocates.</p> | | |

Initial finished water test results have indicated high removal levels of organics and disinfection by-products indicated the GAC filtration is performing well. No new update.</p> <p>2. Lead Service Inventory and Assessment</p> <p>The Water Department and hired consultant, Stantec Engineers, have continued to populate a service line inventory as mandated by EPA and MassDEP. Efforts have been made on the public side of the service connection, but please understand the required assessment and inventory also include the information from the private end of the service. The Hamilton Water Department has issued a notice included in your February water bill that includes information regarding the program and instructions on how to assist the department. As of 5/17/2024, 617 locations uploaded to the MassDEP web application, an increase from 592 back on 4/18/2024. This represents approximately 25% of Hamilton Water users. Let's keep up the momentum. If unable to use the MassDEP Web Application please either email Hamilton's DPW Director at tolson@hamiltonma.gov or call the Hamilton Water Department at 978-626-5226 to schedule an appointment. Again, your participation is appreciated.</p> <p>3. GIS Asset Management</p> <p>The town has contracted with Dewberry Engineers to assist with establishing a GIS water asset management program. Police

1. Full-Time Hire(s)

With the transfer of Officer Roby Deshenes to the Middleton Police Department and the upcoming retirement of Lt. Stephen Trepanier, we will have two full-time vacancies. As a result, we will begin the recruitment and selection process for two new full-time hires.

April 1st - July 1st

We have completed our first round of interviews for the full-time position(s) and will be starting the second round ASAP.

On-going

2. Massachusetts Police Accreditation Commission

The Hamilton Police Department has begun the re-accreditation certification process for our Massachusetts Police Accreditation. This is a mandated process which is completed every 3-years.

May 7th, 8th and 9th

The department on site accreditation assessment will commence on May 7th and end May 9th. At that time certified assessors will conduct an onsite inspection of all department policy and procedures as well as the physical building.

On-going

3. Public Safety Camera System

The camera system has been successfully updated. The next step in the process will be a company provided hands-on training component.

Public Health Department

1. Health Related

Currently we're experiencing 3 new cases of Covid having been reported. There are 6 confirmed cases of Lyme Disease, 1 confirmed case of Tuberculosis reported, 2 cases of influenza, 1 case of Hepatitis B and 2 cases of Campylobacteriosis.

Public Health clinics for the flu and bivalent boosters have ended, residents are encouraged to seek vaccines from their health care provider or health care clinic. If a resident can't receive one elsewhere they can call the Public Health Nurse. In addition, the health department still has a limited supply of single use gloves and bandages for distribution to the community - please call 978 417-6118 to order.

On-going

2. Food Permitting and Inspection

Permitting of food establishments/food trucks is on-going for the 2024 year. Round 1 of food establishment inspection, in accordance with appendix 5 of the 2013 food code is nearing completion.

3 Septic

Soil tests, plan reviews and septic inspections are on-going along with permitting of septic haulers. We have processed 175 septic pumping reports, licenced 12 septic installers, 3 septic haulers, 2 title inspectors and 4 maintenance providers. We have completed 59 plan reviews, 5 title 5 reports, 7 soil tests and issued 8 certificates of compliance. The Health Dept. is on the verge of rolling out a new low interest betterment loan program that would benefit residents whose septic systems have failed and are in need of replacement. The application process will soon be complete.

4. Animals

Permitting of animal keeping is on-going. Barn inspections have begun and the barn book is completed and filed with the state. In accordance with Board of Health regulations, the new expiration date for animal keeping is August 31st of each year and the Board of Health is in the process of updating the Keeping of Animals regulation (last updated in 1989), in collaboration with neighboring communities.

5. New Programs

The sharps collection/disposal program for Hamilton residents is on-going and a sharps collection container can be obtained from the Senior Center (299 Bay Road) taken home, filled and returned for disposal free of charge. Please contact the Health Dept. or the COA to take advantage of this program.

Blood pressure screenings are on-going at Lamson Hall on the 2nd Wed. of each month from 3:30-5:30.

In an effort to update many out of date BOH regulations, the board is reviewing a new private well permitting program (details to follow). The Board has passed an updated and amended version of the Tobacco Regulation, more in line with state recommendations, effective April 1, 2024.

6. Public Health Concerns

There's been a nationwide health alert issued by the USDA for ground beef products over possible E. coli threat. A recall was not requested because the products are no longer available for purchase but some products may be in the freezers of consumers - please check yours and discard this product. The raw ground beef products were produced on March 28 and have a "best before" use/freeze date of Monday, April 22, and a packaging date of "032824". For more info;
[FSIS Issues Public Health Alert for Ground Beef Products Due to Possible E. Coli O157:H7 Contamination | Food Safety and Inspection Service \(usda.gov\)](#)

Also, If you haven't heard, Norovirus is up 10%. Please wash your hands frequently - hand sanitizer is NOT a substitute for proper hand washing. (no one has time to be sick...) Please stay safe and healthy.

Finance

1. Year-End Budget Review

1. This is the time of year when each department takes a close look at their budget spending to ensure that transfers are not needed to cover unforeseen expenses throughout the year.

2. FY25 ATM Warrant Articles

2. The Accounting team is working to get all certified FY25 ATM Warrant Articles on the books to secure funding and budgeting in each area of the town.

3. Wage and Compensation Sheets

3. In collaboration with each department, Accounting ensures that each employee be assigned an approved wage and compensation rate. This tool helps payroll assign new FY25 rates and allows Accounting to ensure proper allocation of wages per department of the Town.

4. Intermunicipal Agreement Invoices

4. Accounting is working to finalize all Intermunicipal agreement invoices and deliver to associated towns for proper expense and revenue recognition within the FY24 fiscal year.

5. Financial Policies

5. With advice from Hamilton's auditors, Finance began the preliminary process of policy adoption by delivering a summary version to the Select Board on the draft Grant Management Policy, draft Procurement Conflict of Interest Policy, and draft Comprehensive Public Records and Technology Policy. FinCom will review these policies and make a recommendation to the Select Board for adoption.

Treasurer/Collector

1 Tax Title

We fell a little behind schedule with FY23 Tax Title we are down to just 3 parcels With being short staffed we have decided to wait and process FY23 & FY24 tax titles together.

2 Billing

Working with Kelly and Ryan on our Preliminary Real Estate and Personal Property tax bills for FY25. Also working to send out Real Estate and Personal Property Tax bill demands for FY24. Had to wait until the deferral process was completed. Commitment 3 for Motor vehicles has been mailed this week.

3. Munis

Working with Munis to add 5 new deferrals for FY24 tax year.
Was able to add our 5 new deferral in munis this week and updated the interest rate to 2% Approved at special Town Meeting in Nov 2023

4 Benefits /Payroll

Open Enrollment and Summer Staff members is a very busy time for Sue with payroll and benefits. She has a great handle on this process and she has worked hard to get a great system set up.

5 Misc

Preparing for year-end at this point. Trying to get caught up with being one staff member down, it's been extremely busy in our office.

Parks & Recreation

1. Veterans Memorial Pool

Pool cover is scheduled to be removed on Tuesday, 5/21. Orientation for staff will be on Saturday, June 8th. The pool will open to the public on Saturday, June 15th.

Though slow at the start, staffing for the pool is slowly coming along. However, we are making the tough decision to not hold swim lessons this season. With our staff experience and swim instructor qualifications I do not believe we would have the consistency and continuity that is needed to offer quality lessons. That said, it does provide us with the opportunity to offer new programming. Though the details are still being finalized our department believes we can offer a “stand alone” lap swim program as well as expand our free senior swim times.

2. Patton Park Summer Park Program

We have finalized our staff for the upcoming summer and will be employing close to 50 seasonal employees for our camp program. This will reflect smaller counselor to camper ratios to ensure the best experience possible. Training for staff will be held on Saturday, June 8th and Sunday June 9th. The first day of camp is scheduled for Monday, June 24th

3. Spring Programming

We are in the midst of our Spring Programming and we are pleased with the participation amongst all of our classes. Spring programming will finish up in mid june and our summer programs will start.

4. Bike/Walk to School Day

Bike/Walk to school day was held this past Friday 5/17. We have over 260 children ride their bikes to school on Friday. Amazing numbers, amazing time.

Council on Aging

1. Programming

Two Grannies on the road came to town and had a great time. They have put their youtube video up of their visit. National Chocolate Day was a success. June will be a quiet month with many presenters being on vacation. July and August we are working on having Brookline Bank in to talk about Frauds, a Professional Organizer and a Broker to talk about downsizing. We are also looking at other potential programs.

Regular programming including the birthday party, bingo, arts and crafts, knitting, book club, and yoga continued. We continued to offer our Fit over 50 class, and Balance classes. Indoor bocce has come to end and moved back to Wenham. We will continue to hold the space on Thursday morning in case of rain. Indoor pickleball has also ended we will be starting outside at Patton Park on Wednesday May 15th.

Ongoing

2. Shine

Retirement calls continue to come in. Most are looking at retiring within the month, which makes things time sensitive. We are trying to accommodate everyone in a timely manner. Or assist them so that they can sign up on their own at home.

Shine certification has been completed. I passed the exam this year. And will be all set to continue to help residents throughout the year and during open enrollment. We had a couple residents that looked into becoming SHINE representatives but due to scheduling and location of training were unable too.
