*Items may be heard out of the listed order. The agenda items listed are those items which were reasonably anticipated by the Chair to be discussed at the meeting. Not all items listed on the agenda may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.*

*The Hamilton Human Rights Commission invites members of the public to its meetings. We set aside time at the beginning of each meeting for the public to address us, and we appreciate the thoughts and feedback we receive from the community. Because of our obligations under the Open Meetings Law, all of the work of the Commission can only be done when we are together in our public meetings. For this reason, we cannot respond to the public comments we receive in real time, and we must limit the public comment to a defined time on our meeting agenda.*
