Chapter VIII.

Application For License To Erect, Occupy, Or Use A Coop As A Facility

Location of Facility _____

Name of Applicant _____

Address of Applicant _____

Phone # _____ E-mail Address _____

Name and Address of Owner (if different from Applicant) _____

Type and number of animal(s) in this facility?

Explain manure storage, processing, and/or removal. Will it be used on-site, moved off-site, or both? Where on-site will these activities occur? Describe storage containers and frequency of removal.

What is the source (public or private) and location of the water supply (pipe or well) for the facility?

For new license applications, complete a sketch of where the coop is located on property.

Applicant's Signature _____ Date: _____

Application Fees: (new) \$40.00 Licenses expire August 31 and must be renewed annually.
(renewal) \$15.00

Note: Under MGL 131 Sec. 40 The Wetland Protection Act, any activity closer than 100' to a wetland (as defined in the Act) requires you to file with the Hamilton Conservation Commission.

Any construction, remodeling, alteration, etc. under 780 CMR: The Massachusetts State Building Code requires you to obtain a building permit prior to construction.

A Variance or Special Permit from the ZBA may be required.
