
External Email Warning 186 Echo Cove variance

From Ana Nardella <anar12@verizon.net>

Date Wed 5/7/2025 7:00 AM

To Mary Ellen Feener <permitting@hamiltonma.gov>

Hello,

I have not lived in Echo Cove for long, the current lake access that we do have is unclear. The variance encroaches on the small path we currently have, I don't agree with this.

How would approving this benefit this neighborhood? Make the home smaller, rework the plan, that is the best option.

I disagree with granting this variance.

Ana Nardella
